

# RESET Your Life...RESET Your Legacy!

Creating and Living a Life of Purpose with Passion

This life-transforming keynote is based on Dr. Jason Brooks bestselling book *RESET: Reformatting Your Purpose for Tomorrow's World*.

During this revealing session, you'll discover the secrets of living a life of purpose with passion and leaving a legacy of success and significance. You will be led through a journey that explores:

**Beginning at the end**

**Building your life on a firm foundation**

**Creating power in the present and focus on the future**

Dr. Brooks will unpack each of these and help audiences evaluate their lives and create plans to commit more fully to these three areas.

If you are looking for a program that will help you take your next steps to live your life of purpose with passion... this is it!
